EAA Chapter 100 is a nonprofit association involved in the promotion of aviation through adult and youth education, hands-on training, building and maintenance of experimental aircraft, and through community awareness programs.

This publication by EAA Chapter 100, Inc is for the use, education and occasional enjoyment of its members and others. No claim is made for the accuracy or applicability of information herein. Editorial content is the opinion of the contributor not necessarily the position of either EAA Chapter 100 or the Experimental Aircraft Association.

Reader submissions and comments are strongly encouraged.

September Hangar Flying Event

When: Saturday, October 11th – 9:00 AM
Where: Chapter Hangar – Dodge Center
What: The meeting will be hosted by Dwayne Hora

This will be our final fly-in Saturday meeting for 2014. We're once again hoping for nice weather and hopefully will be able to do some flying. If not, come out anyway share in some good old hangar flying.

All members are encouraged to get their airplanes out and fly to the meeting. Cross your fingers for good weather!

Items in the Hangar

We are on a mission to get rid of the remaining items donated to our chapter that are being stored in the hangar. If you would like make an offer on anything, let us know.

Currently, there is a \$65.00 bid in place for the trailer. If no other bids are received by the meeting this Saturday, the trailer will be sold.

Good Links

What's better than one Lancaster? How about two...
What's better than that? (Throw in a couple of spitfires...)

Clearly they play by different airshow rules in Hungary.
